

Team Up for Fire Safety™ - Make a Plan!

LAKE JOHANNA FIRE DEPARTMENT

Sparky and his firefighter friends want you and your family to be safe from fire. But they can't do it alone. So what are you waiting for? "Team Up for Fire Safety" and develop and practice a home fire escape plan, using the grid below.

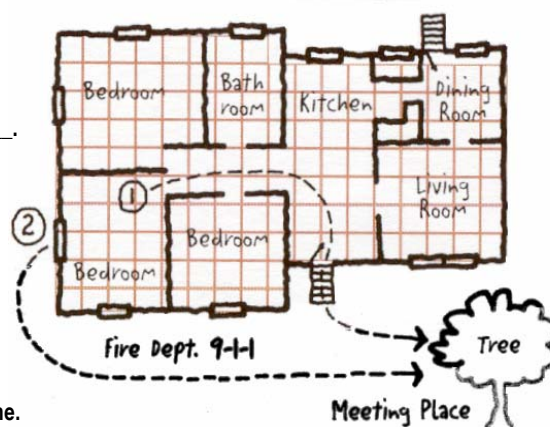

The name and the image of Sparky® are registered trademarks of the NFPA.

Escape Plan Checklist

- ☐ Our plan shows each room in our home.
- ☐ We have drawn arrows to show 2 ways out of each room. The two exits from my room are (1) _____ and (2) _____.
- ☐ My family's meeting place is _____.
- ☐ We wrote down the number to call in case of a fire (9-1-1) on our plan.
- ☐ There are 9-1-1 stickers on our phones.
- ☐ We have _____ smoke alarms in our home.
- ☐ We know what our smoke alarms sound like.
- ☐ We showed the escape plan to all family members.
- ☐ We practiced our escape plan.
- ☐ We put a copy of our escape plan on our refrigerator or bulletin board at home.

Sample Fire Escape Plan:

Create a floor plan of your home using the space above. Make sure it includes working smoke alarms, two ways Out of every room, an outside meeting place, and the emergency phone number for your local fire department. Then practice your plan with all members of your household regularly, at least twice a year.
